Palace Hotel  
1545 Wyllie Ave.  
Pittsburg Pa.

Gentlemen:

I have just learned The Eagles did not reach Pittsburg Monday night in time to occupy the rooms I asked you to reserve for them. It was due to the fact the bus broke down, and they spent the night on the road.

If you kept the rooms for them, send me the bill, and I will take care of it.

The team is due back in Pittsburg August 3rd, but I will not ask for rooms at this time. I will get in touch with you again. Is it necessary to reserve rooms in Pittsburg? Some places the hotel situation is not as bad as others.

I will be looking to hear from you about Monday night.

Very Truly Yours
